3. AWEC is an incorporated, non-profit association of large energy consumers in the Western United States, with offices in Portland, Oregon. Many members of AWEC are customers of Portland General Electric Company (“PGE” or the “Company”).

4. On February 29, 2024, PGE filed its Request for a General Rate Revision. The Company’s proposed rate changes will substantially and directly affect those of AWEC’s members who purchase power from PGE. AWEC requests leave to intervene in this Docket to represent its members who are affected by any change to PGE’s rates and programs.

5. AWEC represents the interests of a number of large customers served by PGE in Oregon. AWEC also has significant experience participating in proceedings involving PGE’s rates and programs. AWEC’s intervention in this proceeding will assist the Commission in resolving the issues in this proceeding and will not unreasonably broaden the issues, burden the record, or unreasonably delay this proceeding.

6. As described above, AWEC has a direct and substantial interest in this proceeding that will not be adequately represented by any other party and may be affected by any Commission determination made in connection with this proceeding. It is in the public interest to allow AWEC to intervene in this proceeding.

WHEREFORE, AWEC respectfully requests that the Commission grant its petition to intervene with full party status in this proceeding.

Dated this 5th day of March, 2024.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
