

BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

UG 390

In the Matter of

CASCADE NATURAL GAS
CORPORATION,

Request for a General Rate Revision.

ALLIANCE OF WESTERN ENERGY
CONSUMERS' PETITION TO
INTERVENE

Pursuant to ORS 756.525 and OAR 860-001-0300(2), Alliance of Western Energy Consumers ("AWEC") hereby submits this Petition to Intervene in the above-captioned proceeding and seeks party status. In support of this Petition to Intervene, AWEC states as follows:

1. The name and address of AWEC as a party of record in this proceeding is:

Edward A. Finklea
Director of Natural Gas
Alliance of Western Energy Consumers
545 Grandview Drive

Phone: (541) 708-6338
Facsimile: (541) 708-6339
E-Mail: efinklea@awec.solutions

2. AWEC is a non-profit association with a membership consisting of more than 40 end users of natural gas with major facilities in the States of Oregon, Washington, and Idaho. AWEC members include diverse industrial and commercial interests, including those related to food processing, pulp and paper, wood products, electric generation, aluminum, steel, chemicals, electronics, aerospace, and healthcare providers. The association provides an informational service to its members and participates in various regulatory matters that affect member interests. AWEC member companies purchase sales and transportation services from Oregon local distribution companies including Cascade Natural Gas Corporation (“Cascade” or “Company”).

3. On March 31, 2020, Cascade filed an Application for General Rate Case Revision. Specifically, the Cascade is requesting a general rate increase in the Company’s Oregon revenues by \$4,507,842, with an additional \$363,765 in deferred environmental remediation costs. Because AWEC member companies purchase sales and transportation services from Cascade, AWEC has a direct and substantial interest in Cascade’s application and, therefore, in this proceeding.

4. AWEC’s participation in this proceeding will assist the Commission in resolving the issues, and will not unreasonably broaden the issues, unduly burden the record, or delay the proceeding. Specifically, AWEC has internal and external expertise that will inform the

Commission regarding revenue requirement, rate spread, and rate design. AWEC can also help inform the Commission regarding issues raised by other parties.

WHEREFORE, AWEC respectfully requests leave to intervene and requests all the rights of a party in this proceeding.

Dated this 1st day of April 2020.

Respectfully submitted,

Chad M. Stokes, OSB No. 004007
Tommy A. Brooks, OSB No. 076071
