In the Matter of

PUBLIC UTILITY COMMISSION OF
OREGON

Staff's Investigation Relating to Electric Utility
Purchases from Qualifying Facilities.

**CO-GEN II LLC'S PETITION TO
INTERVENE OUT OF TIME**

Pursuant to ORS 756.525 and OAR 860-012-0001, Co-Gen II LLC ("Co-Gen II" or "Petitioner") hereby submits this petition to intervene out of time in the above-referenced docket. Petitioner seeks permission to participate in this proceeding as an Intervenor with full party status.

In support of its petition, Petitioner states the following:

1. Name of petitioner:

Co-Gen II LLC
P.O. Box 66
1991 Pruner Road
Riddle, OR 97469

2. Communications to Petitioner concerning this proceeding should be addressed to

the following individuals who will represent Petitioner in this matter:

Petitioner's Authorized Representative:

Randy Crocket,
Chief Financial Officer
D.R. Johnson Lumber Company
P.O. Box 66
1991 Pruner Road
Riddle, OR 97469
Telephone: 541.874.2231
Facsimile: 541.874.3337
email: randyc@drjlumber.com

Petitioner's attorney for purposes of this proceeding:

Jim Deason
Cable Huston Benedict Haagensen & Lloyd LLP
Suite 2000
1001 SW Fifth Avenue
Portland, Or 97204
Telephone: 503-224-3092
Facsimile: 503-224-3176
E-mail address: jdeason@chbh.com

3. Petitioner is a privately held Oregon limited liability corporation. Petitioner is affiliated with the D.R. Johnson Lumber Company family of companies.

4. Petitioner owns and operates a wood-waste (biomass) cogeneration and small power production facility interconnected with PacifiCorp in Riddle, Oregon (hereinafter "Co-Gen II Project"). The Co-Gen II Project is a "Qualifying Facility" as that term is used and defined in both federal and state law.¹ With a total design capacity of just under 10 MW, the Co-Gen II Project is currently producing approximately 66,000,000 kW (7.5 aMW) annually. The Co-Gen II Project's entire output is sold to PacifiCorp pursuant to a power purchase agreement whose term expires on December 31, 2006.

Petitioner is in the process of evaluating potential power sale arrangements for the period beginning January 1, 2007. Petitioner is interested in the compliance phase of this proceeding because it has become evident that Petitioner will be directly affected by the compliance filings submitted in response to Order No. 05-584 issued on May 13, 2005. Until that order was issued and the subsequent compliance filings were made, it was not clear to Petitioner whether this docket would have an immediate, significant and direct impact upon Petitioner's arrangements

¹ 18 C.F.R. § 292.207, ORS 757.505(8), OAR 860-029-0005(22) and OAR 860-029-0090.

with PacifiCorp.² Petitioner did not become aware of the Administrative Law Judge's prehearing conference report establishing August 26, 2005 deadline for submitting a petition to intervene in sufficient time to meet that deadline. Petitioner accepts the status of this docket as it is and respectfully suggests that no party will be prejudiced by allowing Petitioner to participate in this proceeding on a going-forward basis.

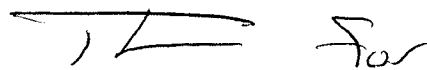

5. Petitioner wishes primarily to monitor the compliance phase of this docket and does not expect to raise any issues that are not directly related to the future arrangements between it and PacifiCorp. Petitioner's participation will be in the public interest and will not unreasonably broaden the issues, burden the record, or delay the proceeding.

6. Petitioner has specialized knowledge and expertise in the operation of a cogeneration and small power production facility in Oregon that it believes may assist the Commission in resolving issues in the compliance phase of this docket.

7. Petitioner respectfully requests that this Petition to Intervene be granted, and further requests permission to appear as a full party to this proceeding.

DATED this Tuesday, August 30, 2005.

Respectfully submitted,

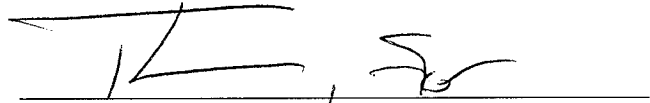

Jim Deason
