The Oregon Department of Energy (“ODOE”) hereby moves for permission to intervene out of time. ODOE’s Petition to Intervene is attached to this Motion.

Granting this petition for late intervention will not broaden the issues, burden the record or unreasonably delay the proceeding nor prejudice the rights of other parties to the proceeding.

ODOE is statutorily charged, under ORS 469.060, with making “recommendations for state and local governments to assist in the development and maximum use of cost-effective conservation and renewable resources, consistent with the energy policy stated in ORS 469.010 * * *.” (ORS 469.060(3)(f)). In aid of that responsibility, ODOE “may intervene in any proceeding undertaken by an agency for the purpose of expressing its views as to the effect of an agency action, upon state energy resources and state energy policy.” ORS 469.110(2).

For the foregoing reasons, the Oregon Department of Energy respectfully requests that the Commission exercise its discretion to grant ODOE’s Motion to Intervene Out of Time.
