3. If the petitioner is an organization, the number of members in and the purposes of the organization:

NW Energy Coalition is a non-profit advocacy organization with membership including 100 environmental, civic, and human service organizations, progressive utilities and businesses in Oregon, Washington, Idaho, Montana and British Columbia as well as individual members. We promote development of clean and renewable energy, energy conservation, consumer protection, low-income energy assistance, and fish and wildlife restoration within the Northwest region.

4. The nature and extent of the Petitioner's interest in the proceeding is:

Since its formation in 1981, NWEC has focused on affordable and fair energy service and development of energy efficiency, renewable resources and clean energy resources. We have participated in numerous proceedings before this Commission and other bodies in the region, as well as legislative, regulatory and public education efforts, including the passage of SB 838 (2007) and SB 1547 (2016). Most significantly, we have participated in Portland General Electric's Integrated Resource Plan development and review as well as several dockets concerning transportation electrification, including UM 1810, UM 1811, UM 1826, AR 599, and AR 609. No other party can adequately represent NWEC's interests in this proceeding.

5. The issues the Petitioner intends to raise at the proceeding are:

NWEC intends to participate as a party and raise issues that are appropriate to the proceeding.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

NWEC has over three decades of experience in public policy concerning energy efficiency and clean and renewable energy development, including regulatory policy, implementation and oversight. NWEC has participated in utility transportation electrification dockets since 2011 and has engaged in all PUC transportation electrification proceedings following SB 1547 (2016).

7. Based on the information provided above in accordance with the Commission's rules of procedure, NW Energy Coalition respectfully requests that the Commission grant this Petition to Intervene. NW Energy Coalition's participation in this docket will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
