**Re: RE 42 – Annualized Billing Cycle Exception, OAR 860-039-0055(2)**

The purpose of this letter is to notify the Public Utility Commission of Oregon (Commission), that under OAR 860-039-0055(2), PacifiCorp, d/b/a Pacific Power (PacifiCorp), and [REDACTED], a net metering customer, have agreed to a new 12-month annualized billing period. OAR 860-039-0055(2) requires that the annual billing cycle for net metering customers end at the end of the March billing month each year, unless the utility and net metering customer agree to a different annual billing cycle. This section also requires the utility to notify the Commission within 30 days of a utility and a net metering customer reaching an agreement for a different annualized billing cycle. PacifiCorp and [REDACTED] reached agreement for a new annualized billing cycle on June 28, 2017. The new annualized billing cycle for [REDACTED] will end with the October billing period of each year.

Confidential information is provided subject to OAR 860-001-0070.

Please direct any questions regarding this notification to Natasha Siores, Manager of Regulatory Affairs, at (503) 813-6583.

Dear [Redacted],

Pacific Power received your request for an alternative 12 month annualized billing period for your net metering facility. Instead of your annualized billing cycle ending in March of each year, your alternative annualized billing cycle will end in October of each year.

This mutual agreement to reset your annualized billing period modifies any existing agreement in reference to the annualize billing period. All other provisions remain in full effect.

Your signature on this letter will confirm your agreement for the alternative annualized billing cycle. If you agree, please sign and return to me at your earliest convenience.

Thank you,

John Sullivan
