**NW NATURAL  
OREGON LOW-INCOME GAS ASSISTANCE (OLGA)  
ANNUAL REPORT  
2013-2014 PROGRAM YEAR**

# **NW Natural's Oregon Low-Income Gas Assistance (OLGA) October 2013 through September 2014 Program Year**

## **BACKGROUND**

NW Natural's Oregon Low Income Gas Assistance (OLGA) program provides natural gas bill payment assistance to income-eligible households. The OLGA program is designed to supplement Federal Low Income Home Energy Assistance Program (LIHEAP) funds.

## **HISTORY OF PROGRAM FUNDING**

NW Natural began collecting public purposes funds for low-income bill payment assistance in October 2002 in accordance with Public Utility Commission of Oregon (OPUC) Order No. 02-634 in Docket UG-143. Funds for low-income bill payment assistance were initially collected through a 25-cent surcharge on all Oregon residential customer bills.

Effective May 11, 2006, this charge was increased to 31 cents. On November 1, 2008, the collection was revised from 31 cents a bill to being a 0.33% charge applied to residential customers' total energy bill. At the same time this change was made, language was added to the tariff to allow the Company to redirect any portion of a separate 0.25% charge towards either the OLGA program or the Oregon Low-Income Energy Efficiency (OLIEE) program. The Company annually reviews OLGA and OLIEE funding. While the Company values weatherization as a longer term solution to high bill issues, the OLIEE program does not always keep pace with its funding. If OLIEE has a surplus of funds, collections are reallocated to the OLGA program.

From October 2008 through October 2010, OLGA was funded by both the 0.25% charge and the 0.33% charge. Effective October 1, 2010, the 0.25% charge was redirected to funding OLIEE. At the same time, OLGA collections were raised by 0.25% resulting in no change in OLGA program funding.

OLGA funding was increased once again in 2012 when the Company filed its rate case (UG-221). As a result of this proceeding, the residential charge funding OLGA was increased from 0.58% to 0.75%. No changes have been made to the rate since 2012.

## **PROGRAM ADMINISTRATION**

Since the program's inception in 2003, the Company has worked closely with OPUC staff, Oregon Housing and Community Services (OHCS), Community Action Partnership of Oregon (CAPO) and the community action agencies (Agencies) who deliver the program to customers. Representatives from each organization have jointly formed the OLGA Advisory Council. This group meets regularly to ensure that processes or other concerns remain streamlined and managed so that the shared goal of serving qualifying customers is attained.

The OLGA Advisory Council has met quarterly since July 2005. In 2009, physical meetings were largely replaced with teleconferences. Teleconferences have proved easier to schedule since they do not require travel time. NW Natural does host one face-to-face at the end of each program year. It provides a good opportunity to see each other, discuss close of program year processes, and celebrate the successes achieved that year.

### **2013-2014 PROGRAM YEAR**

The 2013-2014 OGLA program year went smoothly. Given the program's maturity, the Company has not had substantive issues to discuss for a few years. No substantive issues were raised in the 2013-2014 OLGA quarterly meetings. Overall, program administration went smoothly in the 2013-2014 program year.

### **PROGRAM YEAR RESULTS**

Three Tables are attached: Table 1 provides a comparison of previous and current Program Year results; Table 2 is a 2013-2014 program year detail; and Table 3 shows Agency statistics for the past eight program years.

### **CONCLUSION**

During the 2013-2014 program year, the OLGA program successfully distributed the funds collected to 7,379 households. The Company enjoys a good working relationship with the Agencies and looks forward to continued collaboration during the 2014-2015 program year.

(1) The over allocation is the result of an error in the percetage used to allocate funds to YWCA in 2007-2008 and 2008-2009, as follows: for 2008-2009, \$8186.04 and for 2008-2009, \$12,694.14

(2) The carry over is adjusted for the over allocation to the YWCA that was discovered at end of 2008-2009 program year

(3) Due to a change in reporting, \$2,419.18 of interest earned during the 2009-2010 program year was not applied in that program year. This was corrected by adding this amount to the 2010-2011 program year interest.
