NOTICE OF APPEARANCE,
SUBSTITUTION OF COUNSEL, AND
UPDATE OF CONTACT AND
OWNERSHIP INFORMATION FOR
SWAN LAKE NORTH HYDRO, LLC
AND THE GOLDENDALE ENERGY
STORAGE PROJECT

Chris Zentz of Van Ness Feldman, LLP, on behalf of Swan Lake North Hydro, LLC and the Goldendale Energy Storage Project¹ (together, the “Projects”), which are intervenors and participants in the above-captioned proceeding, hereby provides notice to the Oregon Public Utility Commission (“Commission”),² as well as all parties to this proceeding, that he will appear in the above-captioned proceeding as counsel for the Projects.

Mr. Zentz’s appearance on behalf of the Projects should also be treated as a substitution of counsel in this proceeding, thereby replacing the Projects’ current counsel of record in this matter.

Additionally, please take note that Copenhagen Infrastructure Partners (“CIP”) recently acquired the Projects, resulting in National Grid no longer having any relationship or ownership interest in the Projects. CIP’s acquisition of these pumped storage projects does not change the Projects’ substantial interest in the outcome of this proceeding, nor will it undermine the Projects’ prior representations regarding their participation in this proceeding.

¹ The Goldendale Energy Storage Project is being developed by FFP Project 101, LLC, as noted in the Draft License Application submitted to the Federal Energy Regulatory Commission in Docket No. P-14861.

² This Notice of Appearance and Substitution of Counsel is filed in accordance with OAR 860-001-0300.

Upon CIP's closing of the acquisition of these Projects, Mr. Nathan Sandvig also changed positions and is now a Vice President at Rye Development, LLC. Please update his contact information on file in this proceeding—including updating his email on the service list—using the following, updated information:

Nathan Sandvig
Vice President, Rye Development
220 NW 8th Ave.

In accordance with the Commission's requirements,³ Mr. Zentz represents that he is licensed to practice law in both Washington and Oregon and remains in good standing in both jurisdictions.

Please add Mr. Zentz to the distribution list for this proceeding and include him on all future communications directed to the Projects using the contact information listed below.

Dated this 15th day of December, 2020.

Respectfully submitted,
