Public Utility Commission of Oregon (PUC)
201 High St SE, Suite 100
Salem, Oregon 97301

Dear Ms. Menza:
Good Morning Sir or Madam,

I am contacting you today as a support Paralegal on behalf of Mr. Paul D. Ackerman, Esq., an attorney previously representing matters before the Oregon Public Utility Commission. Mr. Ackerman has changed positions within our organization and no longer practices in Oregon and specifically no longer practices on behalf of any matters before the Oregon Public Utility Commission (OPUC). On behalf of Mr. Ackerman, please remove him from all Docketed matters (active and in-active/closed) thereby substituting Ms. Jennifer Solomon, one-for-one. Ms. Solomon is Cc:'d here as the point of contact and/or Counsel of Record for Exelon Corporation/Constellation Energy OPUC matters moving forward. Additionally, Ms. Solomon's signature block with contact information is included below.

Please implement this change substitution at your very earliest, as Mr. Ackerman no longer wishes to receive any OPUC Docket related e-mails for any matters he is no longer connected to, such as "Docket No. UM 1610". An example of an unwanted recent e-mail is attached. I believe the objective of this request on Mr. Ackman's behalf is to primarily bring a stop to unwanted e-mail in his e-mail inbox however the substitution of Ms. Solomon is essential to ensure OPUC Docket matter information is communicated to the appropriate Counsel of Record on behalf of Exelon Corporation or any of its subsidiaries, Constellation Energy in this instance.

Your prompt attention to this request will be greatly appreciated. Please contact me should you have questions or require additional information. Thank you and much appreciated.
