RE: In the Matter of Dockets UM 1728, UM 2011, UM 2032 and LC 77

Dear PUC Filing Center:

NewSun Energy LLC (“NewSun”) respectfully requests that the Oregon Public Utility Commission (“Commission”) modify the service lists on the docket webpages for UM 1728, UM 2011, and UM 2032 to reflect that I have signed the protective orders in those dockets and thus have confidential (C) access. NewSun also requests that the Commission remove the confidential (C) designation on the LC 77 docket webpage for Jake Stephens and Brittany Andrus given that NewSun does not confidential access in that docket.

Please contact me at the email address below with any questions.

Thank you,

NEWSUN ENERGY LLC
