TO: File through Bryan Conway and Bruce Hellebuyck 

FROM: Stephen Hayes

SUBJECT: UNITED TELEPHONE COMPANY OF THE NORTHWEST:
(Docket No. ADV 897/Advice No. OR 18-04): Increases the rates for Business and Residence Non-Published Number Service and for Business Non-Listed Service and Residence Non-sufficient Funds Check.

I have reviewed this filing and recommend that an acknowledgement letter be sent.

With this filing, United Telephone Company of the Northwest dba CenturyLink (United) proposes to increase the rates for Business and Residence Non-Published Number Service from \$1.00 to \$2.00. The Company also proposes to increase the Business Non-listed Number Service rate from \$1.00 to \$2.00. Finally, the Company proposes to increase Residential Non-sufficient Funds Check rate from \$20.00 to \$30.00.

On September 28, 2019, the Commission issued its Order No. 18-359, in docket UM 1908, approving a Price Plan for United under ORS 759.255. Section (8)(a)(ii) of United's Price Plan requires price list changes to be filed at least one day prior to their effective dates. Furthermore, telecommunications utilities are required under ORS 759.175 to submit filings to the Commission whenever they intend to change their rates, terms, or conditions of service. This filing was submitted on December 17, 2018, and went into effect on February 1, 2019, and therefore complies with the applicable filing requirements.

Non-published and Non-listed services are included in Section (4)(j) Toll Restriction/Call Trace/Unlisted Numbers. Residential Non-listed (also called Unlisted) numbers are capped at pre-plan rates; the filing complies with the Plan. Business Non-Listed numbers along with Residential and Business Non-published numbers are allowed to increase by \$1.00 in any plan year and not increase more than \$3.00 for any plan year; the filing complies with the Plan.

Staff considers the Residential Non-sufficient Funds Check charge to be included in the "Other Services" category of the Price Plan, which is defined as "any other residential or business services contained in CenturyLink's Rate Schedules that are not specifically addressed in this Price Plan and does not include Packages and Bundles." The Plan allows Other Services to increase by 50 percent or \$0.50 annually, whichever is greater; the filing complies with the Plan. The Plan also states that the cumulative price

increase over the term of the Price Plan is not to exceed 200 percent for residential customers; the filing complies with the Plan.

All of the proposed increases satisfy the Price Plan limits.
