

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 63

In the Matter of

IDAHO POWER COMPANY,

2015 Integrated Resource Plan.

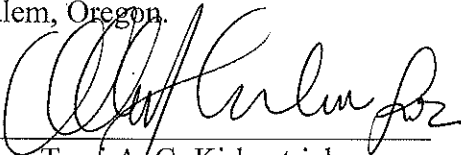

RULING

DISPOSITION: SCHEDULE MODIFICATION GRANTED

By motion filed on November 19, 2015, Commission Staff seeks modifications to the current schedule. As one of the requested changes would extend a filing due today, Staff requests expedited consideration of this motion. Staff represents that it has attempted to contact all parties, and understands that neither the Idaho Power Company nor the Citizen's Utility Board of Oregon oppose this motion. Staff requests that Opening Comments by Staff and Intervenors be due on November 25, 2015 instead of on November 20, 16 2015, and that reply comments by Idaho Power be due on December 30, 2015 instead of December 18, 2015. Staff requests that the remainder of the schedule remain the same.

I grant Staff's motion, but urge Staff to make sure all affected parties are informed of the modifications today.

Dated this 20th Day of November, 2015, at Salem, Oregon.
