The Public Utility Commission of Oregon will hold a Special Public Meeting, Public Hearing and Commission Work Session in this proceeding as follows:

DATE: February 13, 2020

TIME: 1:30 – 4:00 p.m.

LOCATION: Public Utility Commission
Hearing Room
201 High Street SE, Suite 100
Salem, Oregon 97301

This notice provides our planned structure for this meeting.

1. PacifiCorp Presentation: We ask PacifiCorp to make a 10-15 minute presentation with updates on new information or changes to its planned action items since its Integrated Resource Plan (IRP) was filed in October 2019, particularly addressing the impact of the recent extension of the Production Tax Credit (PTC). Commissioners will ask questions, and may allow questions from Staff and stakeholders.
2. Staff and Stakeholder Comments: Staff and stakeholders may each take approximately 5 minutes to summarize the most important points the Commission should consider in acknowledgement review.
3. Roundtable Discussion of General Issues: Commissioners will lead questioning of PacifiCorp, Staff and stakeholders in two general areas: (a) PacifiCorp's resource needs and evaluation of new resource options, including demand-side, supply-side and transmission resources; and (b) details of PacifiCorp's planned request for proposal (RFP), including maximum amount of resource procurement and interaction with generator interconnection queue reform. Topic areas not covered in this workshop will be carried over to the next workshop, noticed below.

This notice describes the remaining Commissioner-attended events in the procedural schedule, as currently planned. The next Special Public Meeting in this proceeding will occur as follows:

DATE: March 10, 2020

TIME: 1:30 – 4:00 p.m.

LOCATION: Public Utility Commission
Hearing Room
201 High Street SE, Suite 100

The March 10 Special Public Meeting, Public Hearing and Commission Work Session replaces the old, canceled date of March 12, 2020.

We also provide more detail on our plans for the final May 5 and May 7 public meeting dates. On May 5, if there is time available after the other items in our 9:30 a.m. Regular Public Meeting, then we will begin public comment on this IRP, take a lunch break, and continue after lunch.

The May 7 Special Public Meeting likely will focus on Commission deliberation. Staff and the company should be present to respond to Commissioner questions, and other stakeholders are welcome to attend.

If you have questions, please contact the Administrative Hearings Division by telephone (503-378-6678) or by e-mail (puc.hearings@state.or.us).
