NOTICE OF WORKSHOP

The Public Utility Commission of Oregon will hold a kick-off workshop for Phase 1 of this docket as follows:

DATE: May 2, 2019
TIME: 9:30 a.m. – 12:30 p.m.
LOCATION: Public Utility Commission
Hearing Room
201 High Street SE, Suite 100
Salem, Oregon 97301

On March 21, 2019, the Public Utility Commission of Oregon (Commission or OPUC) opened Docket No. UM 2005 Investigation into Distribution System Planning (DSP). The DSP investigation begins with a baselining and discovery phase, focused on developing a shared understanding of utility distribution system operations, planning, and investments, along with the impacts and opportunities associated with changing technologies, markets, methodologies, policies, and consumer interests. This kick-off workshop will introduce foundational concepts of DSP, including:

- Distribution systems 101 (guest expert presentation)
- Distribution system planning 101 (guest expert presentation)
- Introduction to DSP principles (OPUC Staff)
- UM 2005 Phase 1 schedule and next steps (OPUC Staff)

This workshop is intended to provide an educational opportunity for the Commission, OPUC Staff, and all stakeholders of UM 2005.

The workshop will be live streamed and video recorded. An agenda will be provided to the UM 2005 distribution list in advance of the meeting. Please RSVP by April 25, 2019. RSVPs and questions can be directed to Caroline Moore at (503) 480-9427 caroline.f.moore@state.or.us. If you cannot attend in person, you can participate using the conference call information below:
