COMMISSIONER EXAMINATION

All parties to these dockets have waived an opportunity to cross-examine witnesses in dockets UM 1716, UM 1910, UM 1911, and UM 1912. Accordingly, notice is given that the Public Utility Commission of Oregon has canceled the evidentiary hearing scheduled for May 21, 2018, in these proceedings.

We also provide notice of an intent to modify the remaining schedule of these dockets. The Commissioners seek to reserve time for a Commissioner examination of witnesses submitting testimony in these matters during late June or Early July. Available dates for the Commissioner examination are June 25, June 28, or July 2.

Accordingly, the briefing schedule is suspended. We request that parties discuss among themselves to determine availability on the proposed dates, and communicate that availability to the Hearings Division at puc.filingcenter@state.or.us no later than 5:00 p.m., on May 16, 2018. Subsequently, we will issue a revised schedule for the remainder of this docket, which shall include the chosen date of the Commissioner examination. All witnesses providing testimony in these dockets are requested to be present and available for questions at the Commissioner examination.

During the Commissioner examination, all parties will have the right to conduct follow-up questioning or examination of witnesses that are questioned by the Commissioners or the ALJ.
