A public comment hearing is an opportunity for customers and members of the public to offer unsworn testimony to the Commissioners and Administrative Law Judge. The event will begin with brief presentations from the Administrative Law Judge and Staff to explain the rate case process. Because the purpose of this hearing is to take comments from the public, NW Natural and the other parties to the proceeding will not make formal presentations and the Commissioners will not take questions. The public comment hearing will be recorded and transcribed. The transcript will become part of the public comment record in the proceeding.

Interested persons not able to attend the public comment hearing may mail written comments to the Commission at: Attn.: UG 490, Administrative Hearings Division, Public Utility Commission of Oregon, PO Box 1088, Salem, OR 97308-1088; submit comment using our [website](#); or provide comments by telephone to the Consumer Services Division at 503-378-6600 or 1-800-522-2404 (interpretation available). Written comments will be accepted in languages other than English and will be translated. Please allow one week for comments to be translated and posted in the docket.
