BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

UM 2447

In the Matter of IDAHO POWER COMPANY and OREGON TRAIL ELECTRIC CONSUMERS COOPERATIVE, Joint Application for Approval of Property Disposition and Transfer of Service Territory.	NOTICE OF PUBLIC COMMENT HEARINGS

On May 20, 2026, Idaho Power Company and Oregon Trail Electric Consumers Cooperative filed a Joint Application for Approval of Property Disposition and Transfer of Service Territory. The Public Utility Commission of Oregon will hold both a virtual and an in-person public comment hearing on the application. Spanish translation services are available for community convenience only for the virtual event on August 18, 2026, within the Zoom platform.

The public comment hearing is an opportunity for customers and members of the public to offer comment on the application. This event is being noticed as a Public Meeting because at least two Commissioners are planning to attend. Each event will begin with a brief presentation from the Administrative Law Judge on the application and the Commission's process for review. The public comment hearings will be recorded and transcribed. The transcripts will become part of the public comment record in the proceeding.

Each public comment hearing will convene at 6:00 p.m. MDT and remain open until at least 6:30 p.m. MDT. If you wish to provide comment, please log on prior to 6:30 p.m. If there are members of the public still waiting to offer comment at 6:30 p.m. MDT, the public comment hearing may continue to allow as many members of the public to comment as time permits. Details for both events are as follows:
