RULING

**DISPOSITION: STAFF MOTION GRANTED**

By motion filed February 4, 2010, the Staff of the Public Utility Commission of Oregon (Staff) requests an expedited order extending the time for filing final comments in these dockets, from February 5, 2010, to February 12, 2010. As grounds for its motion, Staff cites the complexity and number of issues presented in these matters. Staff states that it has informed all parties of its request. Due to the shortness of time, Staff was not able to poll the parties as to their views on the motion.

For good cause shown, Staff's motion is GRANTED. All parties'/participants' final comments in Dockets UM 1452 and AR 538 are due February 12, 2010.

Dated at Salem, Oregon, this 5<sup>th</sup> day of February, 2010.
