

ISSUED: June 7, 2017

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

AR 603

In the Matter of Rulemaking to  
Implement Community Solar Provisions  
of SB 1547.

MEMORANDUM

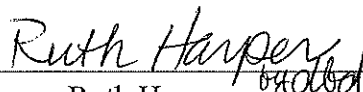

RE: JUNE 13, 2017 SPECIAL PUBLIC MEETING

The Commission has scheduled and noticed a special public meeting for June 13, 2017, at 1:30 p.m. The purpose of this meeting is to allow the Commissioners to discuss among themselves, the Administrative Law Judge, and the Commission Staff the proposed community solar program rules and comments.

Although the Commission generally invites public comment during its meetings, there *will not* be an opportunity for public comment at the June 13, 2017 special public meeting. This is due to the fact that the public comment period for this rulemaking closed on June 2, 2017, at 5:00 p.m., and the Commission cannot extend the public comment period and meet the July 1<sup>st</sup> statutory deadline to issue these rules.

The special public meeting is, however, open to the public, and interested persons may attend in person or watch the Commissioner discussions via on-line streaming from the PUC. On June 13, just prior to the meeting time, there will be a link to view the meeting from this page: <http://www.puc.state.or.us/Pages/Live-Stream.aspx>.

Dated this 7<sup>th</sup> day of June, 2017, at Salem, Oregon.
