2004 INTEGRATED RESOURCE PLAN.	)	

On March 18, 2005, a prehearing conference was held in this docket. The primary purposes of the conference were to identify the parties to the proceeding and to set a procedural schedule.

**Appearances**

Appearances were entered as follows: Jennifer Martin and Melissa Seymour appeared on behalf of PacifiCorp; Jason Eisdorfer appeared on behalf of the Citizens' Utility Board (CUB); Phil Carver appeared on behalf of the Oregon Department of Energy (ODOE), Steven Weiss appeared on behalf of the Northwest Energy Coalition; David Hatton appeared by telephone on behalf of Staff; Troy Gagliano appeared by telephone on behalf of the Northwest Renewable Project; and Sylvia Mekhiorri appeared by telephone on behalf of Portland General Electric (PGE).

**Interventions**

On March 1, 2005, I received a petition to intervene from ODOE. On March 8, 2005, I received a petition to intervene from PGE. Upon review of these petitions, I find that both parties have sufficient interest in the proceeding, and that their participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. As the period to protest either petition has passed, I granted the petitions to intervene of ODOE and PGE. I also recognized the notice of intervention filed by CUB pursuant to ORS 774.180. Other petitions to intervene will be finally granted after passage of the relevant period for protest. Although parties did not set a date for petitions to intervene, parties may still intervene, but should do so as soon as possible.

## **Procedural Schedule**

Conference participants agreed to, and I adopted, the following procedural schedule:
