OF OREGON**

2009 Integrated Resource Plan.

RULING

**DISPOSITION: REQUEST FOR PORTLAND PUBLIC  
MEETING DEFERRED**

On December 1, 2009, at the prehearing conference held in this docket, representatives of the NW Energy Coalition and the Citizens' Utility Board of Oregon requested that the public have the opportunity to comment on this docket in Portland, Oregon, at a public meeting that would take place before February 2, 2010. Because a new Commissioner will be appointed in March 2010, the Public Utility Commission of Oregon (Commission) has deferred decision on this issue until the new Commissioner's appointment, so that all Commissioners who will decide this docket may attend the public meeting. If parties wish to have a public meeting in Portland after the new Commissioner's appointment, they may make that request. The Commission will also receive public comments at the public meeting taking place at 9:30 a.m. on January 19, 2010, in the Commission's Main Hearing Room, first floor, 550 Capitol Street NE, Salem.

Dated this 12<sup>th</sup> day of January, 2010, at Salem, Oregon.
