RULING

**DISPOSITION: APPLICATION FOR ADMISSION *PRO HAC VICE*
GRANTED CONDITIONALLY; PETITIONS TO
INTERVENE GRANTED**

On December 1, 2009, Gloria D. Smith, counsel for the Sierra Club, filed an application for admission *pro hac vice* in this docket. After review of the application, it is determined to comply with the requirements of UTCR 3.170. The period for any party to oppose a *pro hac vice* application has not passed. See OAR 860-013-0050(1). The application to admit counsel *pro hac vice* is, therefore, conditionally granted and shall be considered final, should no party oppose the motion, as of December 21, 2009.

On December 3, 2009, petitions to intervene in this docket were filed by the City of Portland and Northwest Pipeline GP. Upon review of the petitions, I find that the City of Portland and Northwest Pipeline GP have sufficient interest in the proceeding, and their appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. See OAR 860-012-0001. No party contested the petitions to intervene within the period to do so. See OAR 860-013-0050(1). The petitions to intervene are granted.

Dated this 14th day of December, 2009.
