OF OREGON**

LC 52

In the Matter of

PACIFICORP, dba PACIFIC POWER

2011 Integrated Resource Plan.

RULING

DISPOSITION: MOTION TO DELAY CONSIDERATION DENIED

On December 2, 2011, the Citizens' Utility Board, Northwest Energy Coalition, Renewable Northwest Project, and Sierra Club (Joint Parties) filed a motion to delay the Commission's consideration of PacifiCorp's 2011 Integrated Resource Plan (IRP), currently scheduled for the December 6, 2011 Public Meeting. The Joint Parties seek delay to allow additional time to review (1) PacifiCorp's confidential answer to Staff's Data Request 198, and (2) Staff's underlying analysis and workpapers.

I have consulted with the Commissioners on this motion. The Commissioners intend to proceed with the consideration of PacifiCorp's IRP at the December 6, 2011 Public Meeting. The Commission is, however, committed to ensuring that all parties have the opportunity to review information necessary to enable them to effectively participate in this process. Accordingly, the Joint Parties may move to continue the Public Meeting as necessary following Staff's and the parties' presentations on December 6, 2011.

Dated this 2nd day of December, 2011, at Salem, Oregon.
