

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 53

In the Matter of

IDAHO POWER COMPANY

2011 Integrated Resource Plan.

RULING

DISPOSITION: MOTION GRANTED

By motion filed January 19, 2012, the Staff of the Public Utility Commission of Oregon requests that the schedule be in this proceeding be modified to provide for the Commission to consider this matter at its first regularly scheduled public meeting in February, 2012.

Currently the schedule provides that the Commission will consider this matter at a public meeting on February 7, 2012. According to Staff, there presently is no public meeting scheduled for that date. Accordingly, Staff proposes that the matter be heard at the public meeting scheduled for February 14, 2012.

Staff states that it notified the parties of its pending request, inviting anyone who might object to so advise the Commission. No objections have been received.

For good cause shown, Staff's motion is granted. Consideration of Idaho Power's 2011 Integrated Resource Plan is added to the Commission public meeting agenda of February 14, 2012.

Dated this 20th day of January, 2012, at Salem, Oregon.
