

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 56

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

2013 Integrated Resource Plan.

RULING

DISPOSITION: PETITION TO INTERVENE GRANTED FOR LIMITED
PURPOSES

On June 18, 2014, Northwest Pipeline LLC, filed a petition to intervene in this docket. Although proceedings to review a utility's integrated resource plan (IRP) are not considered contested case proceedings under the ORS 183.310(2), obtaining party status is necessary to be placed on the service list for purposes of receiving copies of filings made by other parties and to be eligible to sign a protective order to obtain access to confidential information. For those reasons, the Commission will grant petitions to intervene in IRP dockets, even though party status does not confer the general rights and duties granted to individuals who participate in contested case proceedings.

The petition to intervene filed by Northwest Pipeline LLC is granted for the limited purposes described above.

Dated this 26th day of June, 2014 at Salem, Oregon.
