OF OREGON**

LC 57

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2013 Integrated Resource Plan

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE AMENDED

On July 1, 2013, the Commission Staff filed a motion to modify the procedural schedule in this docket. Staff requests that the public meeting currently scheduled for July 8, 2013 be rescheduled for September 5, 2013, and that the Commission reserve July 8, 2013 for a party-only technical workshop. Staff states that it will be more productive at this stage for the parties to meet without the Commissioners, in order to promote the exchange and discussion of information. Staff states that Sierra Club, ODOE, NW Energy Coalition, CUB, and RNP do not object to modifying the schedule as proposed.

The motion to modify the schedule is granted. The public meeting currently set for July 8, 2013 will be held on September 5, 2013. The parties will hold a technical workshop on July 8, 2013.¹ The Commissioners will not attend the July 8, 2013 workshop. All other dates remain the same.

Dated this 2nd day of July, 2013 at Salem, Oregon.
