RULING
AND NOTICE

DISPOSTION: MOTION GRANTED

On September 19, 2014, Commission Staff filed a motion to modify the schedule in this docket. Staff requests that we remove NW Natural's presentation at the Commission public meeting currently scheduled for September 30, 2014, and add a special public meeting workshop on November 4, 2014, to be attended by the Commissioners. Staff states that NW Natural, the Citizens' Utility Board of Oregon, and the Northwest Industrial Gas Users do not object to Staff's motion.

Staff's motion is granted. NW Natural's presentation, currently scheduled for September 30, 2014, will be moved to a special public meeting to take place on November 4, 2014 at 9:30 a.m., in the Commission's hearing room. The special public meeting will be conducted in the format of a workshop.

Dated this 25th day of September, 2014, at Salem, Oregon.
