

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

LC 62

In the Matter of

PACIFICORP, dba PACIFIC POWER's

2015 Integrated Resource Plan.

RULING

**DISPOSITION:      PETITIONS TO INTERVENE GRANTED FOR  
                                 LIMITED PURPOSES**

The following entities have filed petitions to intervene in this docket since my December 5, 2014 ruling: NW Energy Coalition (NVEC), the Oregon Department of Energy (ODOE), and Portland General Electric Company. Although proceedings to review a utility's integrated resource plan (IRP) are not considered contested case proceedings under ORS 183.310(2), obtaining party status is necessary to be placed on the service list to receive copies of filings made by other parties and to be eligible to sign a protective order to obtain access to confidential information. For those reasons, the Commission will grant petitions to intervene in IRP dockets, even though party status does not confer the general rights and duties granted to individuals who participate in contested case proceedings.

The petitions to intervene filed by NVEC, ODOE, and PGE are granted for the limited purposes described above.

Dated this 8<sup>th</sup> day of December, 2014 at Salem, Oregon.
