OF OREGON**

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2017 Integrated Resource Plan.

RULING

DISPOSITION: SCHEDULE AMENDED

The schedule for this proceeding is amended to add a second public meeting for Commission deliberation and decision, as shown below. The Commission will begin deliberations of PacifiCorp, dba Pacific Power's 2017 Integrated Resource Plan (IRP) at the December 5, 2017 Public Meeting, and will engage with Staff and parties on various issues during that meeting based on Staff's memo and parties' pre-filed comments. The Commission will also hold a Special Public Meeting on Monday, December 11, 2017, at 9:30 a.m. when the Commission expects to conclude its deliberations on whether to acknowledge the IRP.

Parties are reminded to file comments before the November 28, 2017 deadline, which will allow the Commissioners the opportunity to review all comments in advance and to be better prepared to ask questions of Staff and parties during its deliberations at the December 5, 2017 Public Meeting. The Commissioners expect the second public meeting will mainly be for Commissioner deliberation, and while the Commissioners may still have targeted follow-up questions at this time, it is also possible that the second meeting will only involve Commissioner deliberation and decision.
