

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 70

In the Matter of

PACIFICORP, dba PACIFIC POWER,

2019 Integrated Resource Plan

RULING

**DISPOSITION: MOTION FOR LEAVE TO FILE SUPPLEMENTAL COMMENTS
GRANTED**

On March 4, 2020, Staff of the Public Utility Commission of Oregon filed final comments pursuant to the schedule adopted in this docket. On March 6, 2020, Staff filed a motion for leave to file supplemental final comments in order to include a set of specific comments on Class 3 DSM with a recommended action.

In support of its motion, Staff asserts that the materials set forth in the supplemental comments were inadvertently omitted from its original, timely filing. Staff further represents that it circulated a draft of its motion to persons on the service list at approximately 2:00 p.m. on March 6, 2020, and that, as of the time of submission, it had been notified by PacifiCorp and Renewable Energy Coalition that they did not object to Staff's motion. No objection to the motion has been filed with the Commission since that date.

I find that Staff has shown good cause to grant its motion.

RULING

The motion for leave to file supplemental final comments is granted. The supplemental final comments affixed to the motion as Attachment A are admitted into the record.

Dated this 18th day of March, 2020, at Salem, Oregon.
