On June 6, 2019, we issued a Prehearing Conference Memorandum in this docket listing a procedural schedule. That schedule reflects a July 30, 2019 Public Meeting date for Portland General Electric Company's (PGE) initial Integrated Resource Plan (IRP) presentation. The date for PGE's presentation has changed to the Regular Public Meeting scheduled for Tuesday, August 13, 2019.

The intent for PGE's presentation remains the same; it will be a Public Hearing item to allow stakeholders to make brief comments describing their main areas of inquiry in this proceeding. The purpose of the stakeholders' high level comments is to assist the Commissioners identify significant issues. We ask that stakeholders refrain from adversarial comments, as intervenors' positions on the issues can be fully explained in the three sets of written comments, during the subsequent Commission workshop, and in the final public meeting.
