

BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

LC 73

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

2019 Integrated Resource Plan.

MEMORANDUM

On January 14, 2020, the Commission issued a Notice of Special Public Meeting and Agenda for the January 30, 2020 Special Public Meeting in this proceeding. The notice and agenda describes the anticipated order of events and provides an issue list. Subsequently, Portland General Electric Company submitted its final comments with proposed modifications to PGE's Integrated Resource Plan (IRP) action plan.

To ensure we are fully informed about PGE's updates and proposed action plan modifications, we revise the agenda and request that PGE begin the meeting with a 15-minute overview presentation of key points and action plan modifications from its final comments. The Commission is not changing the existing issue list but will emphasize or skip issues as appropriate.

Rather than providing opening remarks, Commissioners will provide closing remarks following the discussion of issues.

Dated this 24th day of January, 2020, at Salem, Oregon.
