

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 74

In the Matter of

IDAHO POWER COMPANY,

2019 Integrated Resource Plan.

RULING

DISPOSITION: MOTION TO SUSPEND PROCEDURAL SCHEDULE GRANTED

On July 1, 2020, Idaho Power Company (Idaho Power) filed a motion to suspend the procedural schedule in these proceedings. Idaho Power requests the suspension to provide for additional time to conduct a comprehensive review of the Company's Integrated Resource Plan (IRP) modeling. Idaho Power commits to concluding this audit and proposing a revised procedural schedule in this proceeding, by no later than July 31, 2020. Staff does not oppose the Company's request.

I find that there is good cause to suspend the procedural schedule on an expedited basis.

RULING

Idaho Power's Motion to Suspend the Procedural Schedule is granted.

Dated this 2nd day of July, 2020 at Salem, Oregon.
