

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

LC 84

In the Matter of

IDAHO POWER COMPANY,  
2023 Integrated Resource Plan.

MEMORANDUM REQUESTING  
PROPOSALS FOR PROCEDURAL  
SCHEDULE

On September 29, 2023, Idaho Power Company filed its 2023 Integrated Resource Plan.

I request that Idaho Power confer with the Staff of the Public Utility Commission of Oregon, the Oregon Citizens' Utility Board (CUB), Renewable Energy Coalition (Coalition), and any other entity that has expressed interest in participating in this proceeding to file a proposed procedural schedule in lieu of holding a prehearing conference. To the extent that Idaho Power, Staff, CUB, the Coalition, and any other entities intending to participate in this schedule are unable to reach an agreement on a proposed schedule, each entity should submit a separate proposed schedule. If Idaho Power, Staff, CUB, the Coalition, or any other entities intending to participate prefer to hold a virtual prehearing conference to discuss the schedule or any other procedural matters, they may indicate this preference with the proposed schedule or a separate filing. Any proposed schedule or request for a prehearing conference is due by 3:00 p.m. on November 13, 2023.

Dated this 30th day of October, 2023, at Salem, Oregon.
