OF OREGON**

RULING

**DISPOSITION: MOTION GRANTED ON EXPEDITED BASIS; PROCEDURAL
SCHEDULE MODIFIED**

On June 5, 2024, Staff for the Public Utility Commission of Oregon file a motion requesting to modify the procedural schedule in these proceedings. Staff requests to add an additional comment deadline of June 10, 2024, to modify the deadline for the Staff Report from June 18, 2024, to July 2, 2024, and to modify the deadline for comments on the Staff Report from July 11, 2024, to July 19, 2024. Staff states that the proposed changes will move the filings closer to the date of the Special Public Meeting and allow Staff additional time to attain clarity on any late developments on the Southwest Intertie Project-North project. Staff states that all parties in the docket have agreed on the proposed modifications to the schedule. Staff requests expedited consideration because of the proposed June 10, 2024 comment deadline.

I grant the motion to modify the procedural schedule and on an expedited basis. Accordingly, the procedural schedule for the remainder of these proceedings is, as follows:
