

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

PCN 5

In the Matter of

IDAHO POWER COMPANY

Petition for Certificate of Public
Convenience and Necessity.

RULING

**DISPOSITION: MOTION FOR EXTENSION GRANTED IN PART; DEADLINE
EXTENDED**

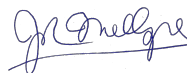

On April 25, 2023, Greg Larkin filed a motion for an extension of time to file his motion to admit testimony and exhibits in this docket. The deadline for filing motions to admit testimony and exhibits in this docket is April 25, 2023. In support of his request, Mr. Larkin states his representative has been experiencing a medical issue that has precluded her from preparing his materials for filing today and submitted medical documentation regarding her condition. Given the time sensitive nature of Mr. Larkin's motion, I am ruling on the motion without hearing from other parties.

Mr. Larkin's motion for an extension is granted on account of the medical issue his representative is experiencing; however, the requested extension will be shortened. The deadline for Mr. Larkin's motion to admit testimony and exhibits in this matter is extended to Friday, April 28, 2023, at 3:00 p.m. Any party wishing to object to Mr. Larkin's motion may file a separate objection related to his filing by Thursday, May 4, 2023, at 3:00 p.m.

All other motions to admit testimony and exhibits in this docket remain due today, April 25, 2023, by 3:00 p.m. All objections to such motions, except for any objections specific to Mr. Larkin's motion to admit testimony and exhibits, remain due on Tuesday, May 2, 2023, at 3:00 p.m.

The parties are reminded that the motion to admit testimony and exhibits is not an opportunity to submit new or additional materials but rather a formal step to indicate which previously filed materials parties wish to have admitted into this docket's evidentiary record.

Dated this 25th day of April, 2023 at Salem, Oregon.
