

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

PCN 5

In the Matter of

IDAHO POWER COMPANY,

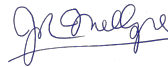

Petition for Certificate of Public
Convenience and Necessity.

MEMORANDUM

On January 13, 2023, I issued a ruling denying a motion from STOP B2H Coalition seeking proper notification of all persons who have interests, known or of record, in the land to be physically impacted or traversed by the proposed route of the Boardman to Hemingway project. On January 17, 2023, Sam Myers filed a document seeking “to appeal the motion of denial leveled against Stop B2H.”¹

I construe this as a request to certify my ruling for the Commission’s consideration.² Because the deadline to request that I certify my January 13, 2023, ruling to the Commission is January 30, 2023, I will wait to resolve this, and any other requests, until that deadline has passed.

Dated this 27th day of January, 2023, at Salem, Oregon.
