**DISPOSITION: REQUEST TO AMEND SCHEDULE
CONDITIONALLY GRANTED**

On January 13, 2009, Portland General Electric (PGE) requested changes to the procedural schedule in this docket. According to PGE, both PGE and Commission Staff (Staff) agree to the following changes:

Event	Original Schedule	Amended Schedule
Staff/Intervenor Testimony	January 13, 2009	January 28, 2009
PGE Rebuttal Testimony	February 5, 2009	February 17, 2009
Hearing	February 23, 2009	February 25, 2009
Simultaneous Briefs	March 10, 2009	March 11, 2009

In keeping with the original schedule, PGE states that after Staff and Intervenors file testimony the parties will respond to data requests within five business days. In addition, after PGE files its rebuttal testimony, PGE will use all reasonable efforts to provide responses by noon on February 24, 2009, to any data requests it receives before the close of business on February 18, 2009.

According to PGE, no other party participated in the settlement conference at which the proposed modifications to the schedule were discussed. Because the schedule has not been agreed to by all parties to this docket, PGE’s motion is **CONDITIONALLY GRANTED** subject to the filing of objections. Any objections to PGE’s proposed schedule must be filed by **January 20, 2009**.

Dated at Salem, Oregon, this 14th day of January, 2009.
