DISPOSITION: RESPONSE TIME SHORTENED

On February 2, 2009, Portland General Electric Company (PGE) filed a motion to strike portions of the direct testimony of Industrial Customers of Northwest Utilities (ICNU) witness Ellen Blumenthal. PGE seeks expedited consideration of its motion and asks for a ruling by February 13, 2009.

Due to the compressed schedule in this docket, expedited consideration of PGE’s motion is appropriate. Responses to PGE’s motion should be filed no later than ***Tuesday, February 10, 2009.***

Dated this 3rd day of February, 2009, at Salem, Oregon.
