DISPOSITION: SCHEDULE MODIFIED

On February 7, 2008, Staff of the Public Utility Commission of Oregon (Staff), the Citizens' Utility Board of Oregon (CUB), and the Industrial Customers of Northwest Utilities (ICNU) filed a motion to modify the procedural schedule in the above-captioned docket. The moving parties state that Portland General Electric Company (PGE) does not oppose the motion. The moving parties request the modification because the issues presented in this docket are complex and the parties need additional time to conduct discovery and draft testimony. The moving parties also request expedited consideration of the motion.

The motion to modify the procedural schedule is granted and the modified schedule proposed by the parties is adopted. In addition, I have changed the due dates for the parties' briefs to accommodate the later hearing date.
