**DISPOSITION: MOTION TO MODIFY PROCEDURAL
SCHEDULE GRANTED**

In a ruling dated June 20, 2008, Administrative Law Judge (ALJ) Sarah Wallace granted, in part, a motion filed by Portland General Electric Company (PGE) to modify the procedural schedule in the above-captioned docket. Based on PGE's report that a settlement had been reached between all active parties in the case, ALJ Wallace adopted a revised schedule that includes, among other things, a due date for the parties to file a stipulation and objections to the stipulation. The time set to file the stipulation was July 11, 2008.

On July 11, 2008, PGE contacted the Commission to report that the parties needed additional time to finalize and file the stipulation. Accordingly, on behalf of the settling parties, PGE requested a one-week extension to file the stipulation.

PGE's request is granted. The following schedule is adopted for the remainder of the docket:

Stipulating Parties file Stipulation and supporting Testimony	July 18, 2008
Deadline for filing Objections to the Stipulation	August 1, 2008
Deadline for Responses to Objections	August 7, 2008
PGE files MONET Update	September 26, 2008
Commission Decision Target Date	October 17, 2008
PGE files MONET Update	November 3, 2008
PGE files Final Monet Update	November 14, 2008.

If objections to the stipulation are received, ALJ Wallace will convene a prehearing conference to discuss the need for a hearing.

Dated this 11th day of July, 2008, at Salem, Oregon.
