RULING

**DISPOSITION: MOTION TO MODIFY PROCEDURAL SCHEDULE  
GRANTED IN PART**

On June 20, 2008, Portland General Electric Company (PGE) filed a motion to modify the procedural schedule in the above-captioned docket. PGE states that a settlement has been reached between PGE, Staff of the Public Utility Commission of Oregon, the Citizens' Utility Board of Oregon, and the Industrial Customers of Northwest Utilities. PGE further states that the other parties participating in the docket—Kroger, Inc., and the Oregon Department of Energy—do not oppose the settlement. Because further testimony and settlement conferences will not be required, PGE moves for a stay of the following scheduled events:

Staff and Intervenors' Reply Testimony	June 20, 2008
Settlement Conference	June 27, 2008
PGE Rebuttal Testimony	July 22, 2008
All Parties' Cross-examination Statements	July 28, 2008
Hearing	August 7-8, 2008.

PGE's motion to modify the schedule is granted, and the following schedule is adopted for the remainder of the docket:

Stipulating Parties file Stipulation and supporting Testimony	July 11, 2008
Deadline for filing Objections to the Stipulation	July 25, 2008
Deadline for Responses to Objections	August 1, 2008
PGE files MONET Update	September 26, 2008
Commission Decision Target Date	October 17, 2008
PGE files MONET Update	November 3, 2008
PGE files Final Monet Update	November 14, 2008.

If objections to the stipulation are received, I will convene a prehearing conference to discuss whether a hearing on the objections is required. If a hearing is required, it will be held on August 7, 2008.

Dated this 20th day of June, 2008, at Salem, Oregon.
