DISPOSITION: MOTION GRANTED

On July 23, 2008, the Staff of the Public Utility Commission of Oregon (Staff) filed a motion seeking leave to add a limited issue to surrebuttal testimony. In support of its motion, Staff states that it discovered that it had “failed to provide an alternative adjustment in (this proceeding) to an adjustment it recommended in [docket] UE 200.” Staff filed its motion “to more quickly notify the parties and Commission of this issue.”

No party filed any response to Staff’s motion. Staff states that the Industrial Customers of Northwest Utilities support the motion.

In its motion, Staff states good cause for its proposal. Staff’s motion is granted.

Dated at Salem, Oregon, this 8th day of August, 2008.
