**DISPOSITION: STIPULATION OR STATUS REPORT TO BE FILED
BY OCTOBER 31, 2008.**

The schedule adopted in this proceeding required a stipulation to be filed by the parties on October 17, 2008. On October 17, I was notified that the parties were still working on the stipulation, but expected to file it on Monday, October 20. On October 21, Jason Jones from the Oregon Department of Justice submitted a status report stating that the parties were still working on the stipulation. According to Mr. Jones, the parties expected to file the stipulation within a couple of days.

A stipulation has still not been filed in this docket. If a stipulation has not been filed by October 31, 2008, the parties should file another status report on that date.

Dated this 29th day of October, 2008, at Salem, Oregon.
