IDAHO POWER COMPANY

2010 Annual Power Cost Update.

RULING

DISPOSITION: MOTION GRANTED

By motion filed January 14, 2010, the Oregon Industrial Customers of Idaho Power (OICIP) request that the date set for filing testimony on rate spread be postponed (from January 20, 2010) to February 8, 2010. As grounds for the motion, OICIP states that postponement will allow the parties more time to discuss a possible settlement of the rate spread issue. OICIP notes that OICIP and CUB are likely the only parties to file opening testimony on the rate spread issue, and further states that no party will be harmed by the delay, given that reply testimony is not due until March 17, 2010. According to OICIP, counsel for OICIP has conferred with all parties, and no party opposes the motion.

For good cause shown, the motion is GRANTED. The date for filing rate spread testimony is postponed to February 8, 2010.

Dated at Salem, Oregon, this 14th day of January, 2010.
