RULING

**DISPOSITION: COMMISSION EXAMINATION AND HEARING
CANCELED; AFFIDAVITS TO BE FILED**

The procedural schedule in this docket includes a date for a hearing and Commission examination on October 7, 2010. In light of the parties' responses to the Commission's August 27, 2010 bench request, and the fact that no party objected to the stipulation filed on July 12, 2010, the hearing and Commission examination appear to be unnecessary. These events are canceled.

A ruling issued on July 26, 2010, indicated that a prehearing conference would be scheduled to discuss a procedural schedule for the remainder of the docket. In light of the events noted above, an additional prehearing conference will also be unnecessary.

In order to ensure a complete record in this docket, prefiled testimony will be made part of the record. The parties should submit affidavits by Monday, October 4, 2010, in support of all testimony that has been prefiled in this docket.

Dated this 15th day of September, 2010, at Salem, Oregon.
