RULING

DISPOSITION: PROCEDURAL SCHEDULE SUSPENDED

On May 18, 2011, Staff of the Public Utility Commission of Oregon (Staff) filed a motion to suspend the procedural schedule in this docket. Staff believes that the parties will reach a settlement of all issues in this docket prior to June 15, 2011, and will file a status report on June 15, 2011, reporting on the parties' progress.

Staff's motion is granted. The procedural schedule is suspended. If, as Staff expects, the parties reach settlement before Staff or intervenors file responsive testimony, the parties should ensure that testimony supporting the stipulation is sufficiently robust to allow the Commission to make an independent evaluation of the merits of the stipulation.

Dated at Salem, Oregon, this 19th day of May, 2011.
