RULING

By ruling dated August 8, 2012, I directed parties to file their estimates of cross-examination time not later than August 14, 2012. Responses to my ruling have been filed by Portland General Electric Company, the Commission Staff, the Industrial Customers of Northwest Utilities, the Citizens' Utility Board of Oregon, and Noble Americas Energy Solutions, LLC. In their responses, each of the parties waived its right to cross-examine any witness.

In lieu of the live testimony of their witnesses, parties are instructed to file affidavits of their witnesses, affirming the truth of their testimony under oath, together with motions to have their pre-filed testimony received into evidence. Such affidavits and motions must be filed not later than August 27, 2012.

The hearing scheduled in this matter for August 20, 2012, is canceled. In all other respects the schedule remains in effect.

Dated this 14th day of August, 2012, at Salem, Oregon.
