

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 257

In the Matter of

IDAHO POWER COMPANY,

2013 Annual Power Cost Update

RULING

DISPOSITION: SCHEDULE VACATED

By motion dated April 2, 2013, Commission Staff asks that the schedule in this proceeding be suspended "indefinitely" to allow the parties additional time to reach an all-issue stipulation. According to Staff, the parties are making good progress in resolving the issues. They hope to submit their stipulation and supporting brief not later than April 18, 2013. All parties support Staff's motion.

For good cause shown, the procedural schedule in this matter is vacated. If no stipulation is filed by April 18, 2013, Staff shall submit a letter proposing a schedule for further proceedings.

Dated this 2nd day of April, 2013, at Salem, Oregon.
