On July 8, 2013, the Citizens' Utility Board of Oregon filed a motion to admit response testimony and exhibits, CUB/100-102. On July 10, 2013, Portland General Electric Company filed a motion on behalf of the stipulating parties to admit stipulation and joint supporting testimony (Joint Testimony/100). On July 10, 2013 the Industrial Customers of Northwest Utilities filed a motion to admit pre-filed testimony ICNU/100-102. On July 15, 2013, Renewable Northwest Project filed a motion to admit pre-filed testimony RNP/100 and errata RNP/100. On July 23, 2013, PGE filed a motion to admit pre-filed testimony PGE/400-402 and PGE/1600-1604. On July 25, 2013, the Commission Staff filed a motion to admit reply testimony, Staff/100. All motions were supported by witness affidavits and no party objected to the motions of the other parties.

I find that the testimony and exhibits offered by the parties meet the standards for relevance as required by OAR 860-001-0450(1) and satisfy the requirements of OAR 860-001-0480. The testimony and exhibits offered by CUB, ICNU, RNP, Staff, and PGE, both for itself and on behalf of the stipulating parties, are admitted into the record of this proceeding.

The record is closed.
